Date Issued:

June 15, 2018

This certificate may be verified at www.ckenglish.com. This document certifies that the manuscript listed above was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at CK English. Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final CK English edited version or if you have any questions or concerns about this edited document, please email info@ckenglish.com.
